# PART I

## **Eboard Introduction (Video)**

### **First-Year Dance** Choreographed by Sue Lee '20, Annie Kang '20, Grace Chin '20

Esther Luo '20, Gemma Min '20, Chandler Pettigrew '20, Heidi Cho '20, Annie Kang '20 / Neri Min '20, Sue Lee '20, Stella Kim '20, Yebin Park '20, Yuna Gan '20, Casey Smith '20, Sandra Chung '20 / Grace Chin '20, Chloe Yichen Wang '20, Winnie Chen '20, Caitlyn Chung '20

The first-year dance has become a tradition of Wellesley KSA's Culture Show. Every year our first-year members put together an act that showcases some of Korea's most recent and popular hits. This year the songs performed are "Russian Roulette" by Red Velvet, "Cheer Up" by Twice, and "Me Like Yuh" by Jay Park.

### **Boston College's AeroK**

Guest Performance

AEROdynamik Dance Crew, or AeroK for short, is a hip hop dance team first created under the Korean Students Association in 2005. Today, AeroK has evolved to include students of all backgrounds and experience, discovering new ways to make art together in a creative community that is truly family.

### **Vocal Act I**

Michelle Yu '19, Josephine Kim '19

Josephine Kim and Michelle Yu are two sophomores passionate about singing truths. They believe that love is what will win at the end of time, so they have dedicated ourselves to sing for what is good in our world - our families, friendships, and service to those both near and far. Fun fact: They are both a part of the newly-revived a cappella group, Awaken the Dawn.

### **Fan Dance**

Led by Jennifer Vogan

Emily Chun '17, Jennifer Vogan '17, Denise Yoon '17, Jaekyung Ha '18, Maxine Hood '19, Sojin Ki '19, Jiwon Lee '19, Chaerin Park '19

The Korean Fan Dance displays elements of nature such as wind, waves, and flowers. While the fan, "buchaek," has been a part of Korean history since the Chosun Dynasty, the fan dance, also known as "buchaechum" in Korea, was introduced in 1954 by Kim Baek-bong. Fan dance has since become prevalent and representative of the Korean culture. This modern take on fan dance will be performed to "I Choose to Love You" by Hyorin (SISTAR).

## **KAMP Slideshow**

Michelle Namkoong '17

Korean Adoptee Mentor Program (KAMP) is a community service program founded by Wellesley KSA. Our goal as a program is to develop strong mentee-mentor relationships among Korean adoptees in the Boston area with mentors from Wellesley College and Babson College through events featuring Korean culture.

Ilban music is a Kpop Music Production Team that is working actively with the Berklee College of Music marketing team to increase media relations within South Korea. The name, Ilban defines “common”, where artists, producers, and audiences come together in one through music.

TaeKwonDo is an art form that can be very traditional and methodical, but also very rhythmic and adaptable. The Harvard TKD Demonstration Team seeks to showcase the versatility of TaeKwonDo—from the traditional “poomsae”, to the fight scenes and dance choreography, we hope to present the diverse evolution of TaeKwonDo.
